

Rove Classics

Tulip Side Chair

The Tulip Side Chair is inspired by Finnish and American mid-century architecture, a period vastly characterised by the simplification of everyday living. The unique single pedestal base is complementary to our Tulip Table Series, similarly designed to eliminate the unnecessary clutter of legs underneath. The modern frame forms a beautiful curvature that is both elegant and ergonomic to the body, and is finished with a densely firm foam cushion upholstered in your choice of fabric or leather.

Details

This premium Rove Classics reproduction features:
