Karla Display Unit

The Karla Display Unit will have you climbing to new style heights. This ladder-inspired shelving solution features open and enclosed storage constructed from environmentally responsible materials with a high quality finish. The solid Ash wood frame supports German MDF shelves and drawers that are powder coated in an ecologically conscious manner to ensure no water waste, hazardous air emissions, or volatile organic compounds such as formaldehyde or carbon monoxide. This green material is beautifully minimal while also resistant to stains and scratches, making it the perfect Scandinavian piece to house your belongings.
