

Rove Classics

Series 7 Chair

Introduced to the world in 1955, the Series 7 Chair is one of the most recognized chairs in the world. Designed to work with the natural contours of the human body, this ergonomic chair has a comfortable "give"™ and a waterfall seat with a rounded edge that doesn't™ press into the back of the legs. Durable stainless steel legs combine with a plywood shell covered in smooth walnut veneer for simple sophistication.
