

Rove Classics

## Masters Chair

This collaboration piece pays homage to the profile of three iconic mid-century modern designs. The distinctive characteristics of the iconic Series 7 Chair, Molded Plastic Shell Chair, and the Tulip Armchair, inspired Phillippe Starck's design for the Masters Chair. This resulted in an iconic new piece that is futuristic yet nostalgic, and combines the best elements of three chairs to create an ergonomic chair that is space efficient and unique in its aesthetic.

### Details
