

Rove Classics

Laccio Table

Designed according to the 20th century Bauhaus school of design, this pared-down, industrial item is undeniably modern. The two pieces of this famous combination fit together harmoniously, creating impeccably clean lines. This reproduction is as light visually as it is lightweight, consisting of durable tubular steel and a satin finish laminate table top. Space efficient and flexible, this two-piece table can be used separately or together in any configuration.

Details

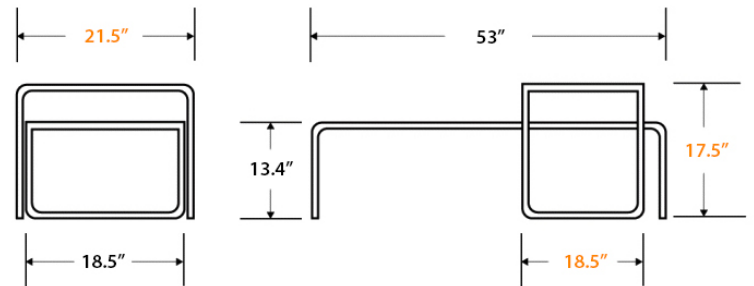

This premium Rove Concepts reproduction features:

- Polished #304 grade tubular stainless steel frame resistant to chipping and flaking
- All joints are fully welded, ground, sealed, and sanded smooth
- Advanced German MDF top
- Lacquer coat for a satin finish

This item is not manufactured by or affiliated with the original designer(s) and associated parties.
