Hugo Sectional 2016

This cloud-like sectional blends traditional style and comfort with modern industrial technique. Hugo's classic backrest is replaced with a myriad of free-floating down-filled cushions, allowing rearrangement to your own contentment. Even more inviting is the generous width of the classic chaise and overall depth. The spacious design creates ample room to move positions from left to right, or relax comfortably with your partner and pet! Finally, the delicate but strongly supportive legs create the floating illusion of being on a soft cloud. Being with Hugo will surely bring you up to cloud nine for endless hours of relaxation and Zen.

Details

- Frame foundation made with kiln-dried hardwood and sourced exclusively from Canada
- Standard quality framing includes dowelled and glued joints with strongly reinforced corner blocks for extra support
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- Base support comes from the preferred 8 gauge sinuous spring construction with all parts made in Germany
