Noah Sectional 2017

Exuding stylish form and comfort, Noah is a wide-width and supremely low profile piece inspired by Modern and Nordic design. The gorgeous naturally finished hardwood base is a beautiful contrast to the soft fabric upholstery, customizable to your choice. This base sits fully to the floor and is set back two inches for additional contrast, providing a grander illusion of size and space. While the seating easily seats three people in optimal comfort, the width of the armrests also offer a functional purpose as the perfect place for resting your favorite drink or a book. Keep it neat with the Noah Sofa, or go grand with the Noah Sectional.
