## Sophia Sectional 2016

Sophia's classic everyday design is derived from a sophisticated form of soft lines and a just-right low profile. The compact size of the original sofa is ideal for smaller spaces, while custom configurations of the sectional can be a perfect fit for any sized room. The low backrest matched with high down-filled removable cushions creates an elegantly stylish aesthetic. Design your own sofa with your favorite upholstery. The base is also available in an assortment of colors and finishes for a truly unique look.
