Nico Sofa 2016

Nico's boxy, pillowy form is the quintessence of European luxury and a favorite in European design. New materials, like polished stainless steel framing, offer a modern upgrade to the classic design style. Enjoy the sumptuous all-around cushioning filled with three layers of high-density foam and premium goose down feathers. The plush, rounded form offers a fine contrast to the square frame and light industrial flair. Complete your sofa with your choice of custom imported upholstery.

Details

- Frame foundation made with kiln-dried hardwood and sourced exclusively from Canada
- Standard quality framing includes doweled and glued joints with strongly reinforced corner blocks for extra support
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- Base support comes from the preferred 8 gauge sinuous spring construction with all parts made in Germany
- Sofa cushions are made from three layers of eco-friendly high-density foam for desired firmness. The layers range from rebound sponge, memory foam to porous sponge
- Topped with premium 100% goose down to supplement the softness of cushions
- Premium European fabrics are supplied by Novatex
