

Rove Classics

FK 6720 Easy Chair

Its clean lines and smart form mark the classic FK 6720 as acutely mid-century modern, yet its industrial metal frame provides contemporary appeal. Crafted with sturdy stainless steel, a gentle 45 degree angle offers the perfect recline into generous feather-topped cushioning. This piece was originally designed in 1965 with the designers pursuing simplicity and timelessness in everyday design as their highest ideal.
