Scarlett Sofa 2016

Scarlett is a stunning centerpiece with vivid design detail that is beautiful from every angle. The deep tufting with large upholstered buttons and fine piping are focal points reminiscent of opulent classical design, while sustainable materials keep it modern. The densely perfected foam cushioning and steadily sloping sides will keep you sitting boxed in until bedtime. Customize your sofa with a contemporary performance weave or choose lavish velvet upholstery to match the sumptuous walnut tones of the solid wood base.

Details

- Frame foundation made with kiln-dried hardwood and sourced exclusively from Canada
- Standard quality framing includes doweled and glued joints with strongly reinforced corner blocks for extra support
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- Base support comes from the preferred 8 gauge sinuous spring construction with all parts made in Germany
- Legs are made from solid ash wood and stained with walnut finish
- Sofa cushions are made from three layers of eco-friendly high-density foam for desired firmness. The layers range from rebound sponge, memory foam to porous sponge
- Topped with layer of polyester fiber to supplement the softness of cushions
