

Rove Concepts

Fredrik Bed

Fredrik is a modern minimalist piece with clean lines and solid structure. Designed with nothing more than a seamless headboard and base frame, bedtime becomes less about the aesthetic beauty of Fredrik and more about your night of uninterrupted sleep. Frederik's pared-down simplicity and quiet good looks, however, are bold and alluring in their own conspicuous way, making a case for both functionality and great design. Choose queen or king with optional night stands available separately.
