Buch Counter Stool

The Buch Counter Stool is a premium reproduction of the Model 61 by Danish designer Erik Buch. This refined piece is valued for its expert craftsmanship and cunning design, a product of hours upon hours of detailed handwork. It is said that only a true artisan is able to master the perfectly smooth curvatures of this marvelous piece, which seems to have no apparent joinery. The ideal counter stool height is complemented with a flat leveled footrest and a small backrest upon the seat for optimum comfort and appeal.

Details

This premium Rove Concepts reproduction features:

- Choice of solid Ash Wood or American Walnut Wood
- Wood finished with protective oil coating, giving it a natural finish
- Choice of custom upholstery seating
- Thin layer of PU-injected foam for a slightly padded seat cushion
- No assembly required

This item is not manufactured by or affiliated with the original designer(s) and associated parties.
