

Rove Classics

Drop Chair

The Drop Chair is inspired by mid-century modern Danish design, made originally for the SAS Royal Hotel in Copenhagen alongside the more famous Swan Chair and Egg Chair by Arne Jacobsen in 1958. This unique chair resembles the shape of a rain drop, with a rounded base and elegant tapered back. The organic, balanced form is surprisingly comfortable and well matched around a modern dining table or standalone in a lobby or living room.

Details

This premium Rove Concepts reproduction features:

- Custom upholstery
