## Bennett Dining Table

The Bennett Dining Table is a modern luxury piece with hints of industrial trends and contemporary flare. A sleek, tailored design, Bennett is well suited for a sophisticated home that yearns for a touch of gold. Handsome American walnut veneer and dramatic black detailing balance confidence with mature subtlety. The extendable panel provides a functional alternative to an otherwise refined profile.

### Details

- Polished gold metal detailing
- Smooth American walnut veneer
- Removeable wood panel leaf
- California Phase 2 Compliant MDF
