Scarlett Sofa

Scarlett is a stunning centerpiece with vivid design detail that is beautiful from every angle. The deep tufting with large upholstered buttons and fine piping are focal points reminiscent of opulent classical design, while sustainable materials keep it modern. The densely perfected foam cushioning and steadily sloping sides will keep you sitting boxed in until bedtime. Customize your sofa with a contemporary performance weave or choose lavish velvet upholstery to match the sumptuous walnut tones of the solid wood base.

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
- Solid American ash wood legs
- 3 layer eco-friendly high-density foam cushioning
- Light assembly required. Only legs are detached for your convenience
