## Sophia Sectional - Leather

Sophia's classic design is derived from a sophisticated form of soft lines and a just-right low profile. The compact size of the original sofa is ideal for smaller spaces, while custom configurations of the sectional can be a perfect fit for any living room. The low backrest matched with high down-filled removable cushions creates an elegantly stylish aesthetic. The base is also available in an assortment of colors and finishes for a truly unique look. This leather has natural color and marking variations that can vary, making each piece of furniture unique. The soft surface will scuff and a beautiful vintage patina will develop with use.
