

Rove Classics

Tulip Armchair

The Tulip Armchair is inspired by Finnish and American mid-century architecture, a period vastly characterised by the simplification of everyday living. The unique single pedestal base is complementary to our Tulip Table Series, and is designed to eliminate the unnecessary clutter of legs underneath. The frame forms a beautiful curvature around the back and through the arms in a seamless line, both elegant and ergonomic, and is finished with a densely firm foam cushion upholstered in your choice of fabric or leather.
