Noah Sofa - Brass

Exuding stylish form and comfort, Noah - Brass is a wide-width and low profile piece inspired by modern and Nordic design. The gorgeous brushed brass metal base is a beautiful contrast to the customizable soft fabric upholstery. This base sits fully to the floor and is set back two inches for additional contrast, providing a grander illusion of size and space. The cushions easily seat three people in optimal comfort, with the width of the armrests also offering a functional purpose as a perfect place for resting your favorite drink or a book.
