

Rove Concepts

Nico Armchair

Nico Armchair's tailored yet pillowy form is the quintessence of luxury and a favorite in European design. Polished stainless steel framing gives a modern upgrade to the classic style. Enjoy the sumptuous all-around cushioning filled with three layers of high-density foam and topped with premium goose feathers. The plush, rounded form is a striking contrast to the square frame and industrial flair. Complete your armchair with your choice of custom upholstery.

Details
