

Rove Concepts

Portier Right Arm Chaise

The Portier Right Facing Chaise is a simple structured seat with boxy flare and a low-set profile. Square arm rests are made like a side table, while an elevated back rest provides ample lean-back support. High-density foam cushioning is nicely rounded and perfectly firm. Pair with additional Portier Modular pieces to create your perfect sectional.

Modular pieces also available separately.
See the entire Portier Collection [here](#).

Details
