Wishbone Outdoor Lounge Chair

A classic reimagined for the outdoors. The Wishbone Outdoor Lounge Chair is a premium reproduction of one of the most classic designs from the mid century modern era. A rare combination of natural and practical, its misleadingly complex construction stems from the designer's extensive knowledge of wood. The fluid lines and minimalist style create an airy feel while the Y-back creates a truly organic impression. The curving top rail and tapered legs are stunning additions to the comfortably flexible yet sturdy woven wicker seat.

Also available in an indoor version [here](#).

Teak wood is a perfect material for the outdoors. While it is highly durable and low-maintenance, teak wood will patina over time and will need to be maintained to preserve the golden tone. Visit our [product care video](#) for regular maintenance care.
