

Rove Classics

Diamond Chair

The Diamond Chair is a shining expression of fine details, delicate lines and an internal strength that reflects its namesake. The intersecting chrome plated iron frame gracefully conforms to the body to create a comfortable seat. This chair achieves a delicate appearance while using tough industrial material, elevating it to a true work of art inspired by Italian and American mid-century modern design.

Details

This premium Rove Classics reproduction features:

- Polished chrome plated iron frame resistant to chipping and flaking
- Premium leather upholstery
- Hand-stitched PU-injected foam cushion
- Floor glides on the base of the chair to protect surfaces

This item is not an original Harry Bertoia, nor is it manufactured by or affiliated with Knoll.
