

## Rove Classics

# Freeform Sofa & Ottoman

The Freeform Sofa and Ottoman was originally designed in 1946 as a striking departure from traditional structure. Unlike sofas with a rigid box frame, the Freeform Sofa was modeled after the organic flow of movement found in nature. The gentle curves integrate seamlessly into any space while offering more leeway to sit or lay as you desire. This unique sofa will have you thinking outside of the box in no time!

### Details
