## PP 124 The Rocking Chair

The PP 124 Rocking Chair is a standout piece of Scandinavian design first produced in 1984. The designer's evident love for mixed materials shines through with a fine balance of flag halyard line, solid wood, and cushioned seat. The warm nostalgia that a rocking chair evokes is modernized through the clean tapered lines of the frame and is customizable with your choice of quality upholstery. Let the smooth rocking motion of this chair be a soothing reminder of easy evenings as a playful addition to the modern home.
